

CRUSING SAILORS (True cruisers)

Notice of "Race"

2010 "Cowles Cocktail Cruising Race"

If you are interested in getting to the North Channel for cruising this may be of interest. Last year BYC provided us with a start during their BYC-Mackinac Race. This year BYC will not be involved and we will start on July 24, 2010. This is a point-to-point Race to Rogers City for TRUE CRUSING BOATS. No need to sail all night. No need to sail in extremely bad weather. No need to sit with no wind. No need to sail a stripped boat. You can even tow a dingy. This would have all racers mooring each evening for cocktails, dinner and a good night's sleep. The next race segment would be the next morning. The finish will be in Rogers City with an informal picnic awards & cocktail party.

Following the awards party everyone is only 30 – 40 nautical miles from DeTour or False DeTour (the North Channel entrances) or a short hop to Mackinac.

If this is of interest to you, please contact Commodore Bob Cowles at Bob@Cowles.info with your boat information. You will receive a registration form by e-mail. The entry fee is \$100 for battle flags & awards. Sailing instructions will be e-mailed when completed & reviewed at a skippers meeting at the Detroit Yacht Club on June 29, 2010.
